

RETRACTION

Molecular Cloning, Characterization, and Expression in *Escherichia coli* of Iron Superoxide Dismutase cDNA from *Leishmania donovani chagasi*

SAID O. ISMAIL, YASIR A. W. SKEIKY, AJAY BHATIA, LEVI A. OMARA-OPYENE,
AND LASHITEW GEDAMU

*Department of Biological Sciences, University of Calgary, Calgary, Alberta, Canada T2N 1N4,
and Seattle Biomedical Research Institute, Seattle, Washington 98109*

Volume 62, no. 2, p. 657–664: We inadvertently used a *Trypanosoma cruzi* cDNA library in our screening instead of a *Leishmania donovani chagasi* cDNA library. We therefore retract the article.
